### WHAT'S BEEN HAPPENING

We have been out monitoring speeding in our local areas and will continue to do so. Speed restrictions are there to keep us all safe – especially the ones in our villages & near our schools

~~~~~

During January we have been in our local primary schools with the Mini Police programme. This terms topic has been "Digital Resilience". As so many of us nowadays, including youngsters use social media it is good to make sure the youngsters are educated and aware of all aspects of the digital world. As a parent/guardian please make sure you are up to date with the technical world too and that you have used parental locks on certain accounts. Are you aware of all the sites your children are using? Have you checked the sites and know what they are all about? Please take some time to check the sites and that your youngsters are safe using them.

~~~~~

The team have still been dealing with a few hare coursing incidents within our rural areas. They not only trespass on farmers land but also cause a lot of damage to fields, crops & property. Some can be extremely violent, even to the farmers/land owners. Please **do not** approach them but call in with any information you may have.

#### WAINFLEET STATION
