## LOCAL PRIORITY

Every three months, we listen to your concerns and look at recent crime statistics to shape the things we will concentrate on for the next three months. Our priority(s) for the next quarter is:

### TITLE OF PRIORITY

FATAL FOUR – Speeding within our communities  
ASB & CRIMINAL DAMAGE

OFF ROAD SCRAMBLERS/MOTORBIKES & ELECTRIC SCOOTERS

## WHAT'S BEEN HAPPENING

The Friskney engagement event held on July 12<sup>th</sup> with various partner agencies was well attended by local residents. Those who visited us spoke with a particular representative about the issues they were having. During the time we were there we also carried out some speed monitoring and the parking enforcement officer patrolled the school parking area.

**E SCOOTERS** - Riding an e-scooter in public when it is not part of an authorised trial is against the law and can result in penalty points, a fine and the vehicle can be seized.

If caught riding an e-scooter on a public highway, pavement or cycle lane it could be seized by the Police.
